### A Strategic Vision.

**Let's Write the Future.  
Together.**

Let the children come to me, and do not prevent them; for the kingdom of heaven belongs to such as these. – Mt 19:14.

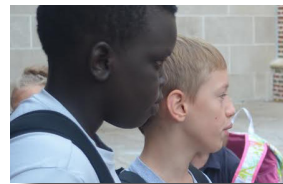

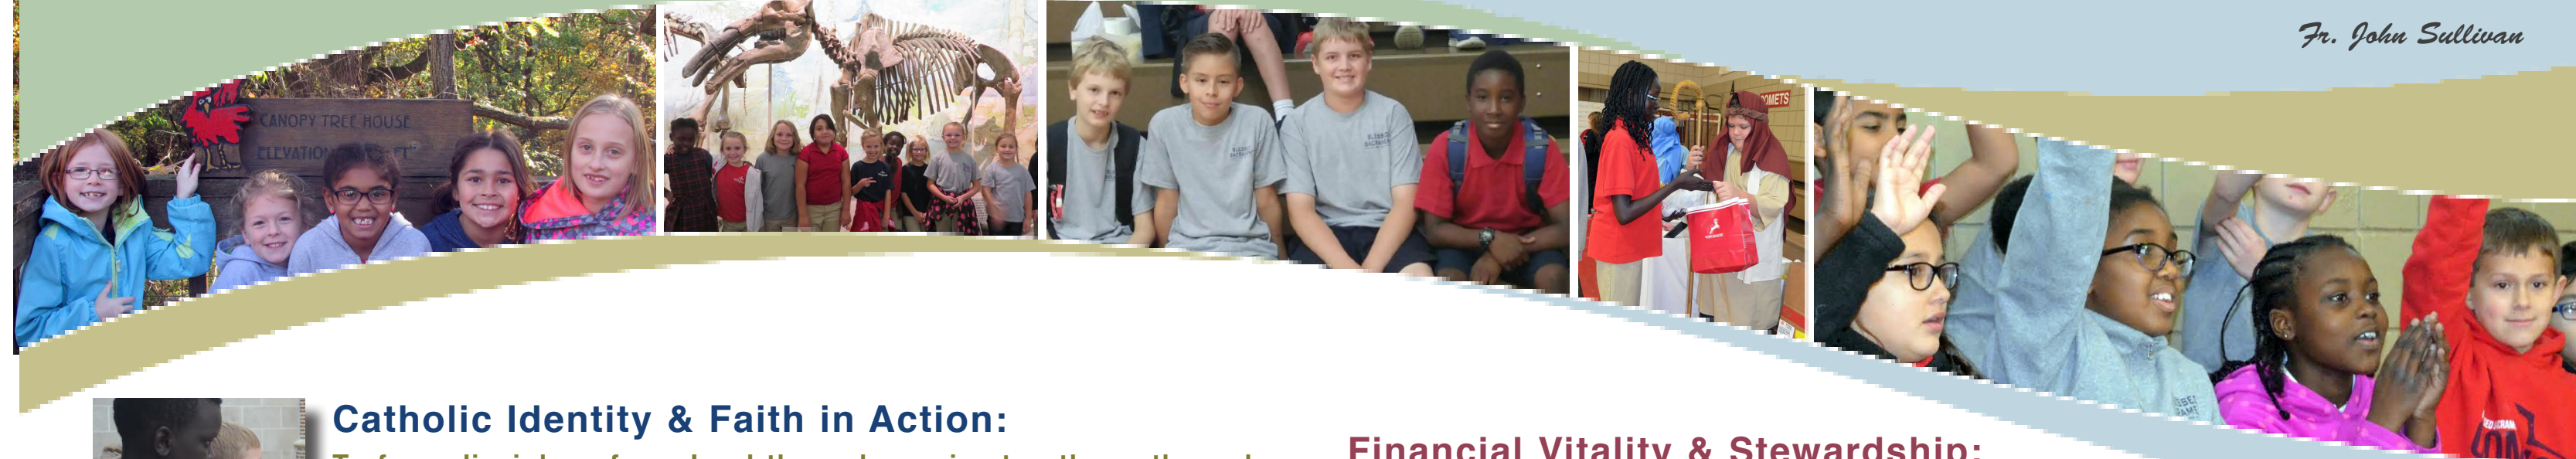

We realize that Jesus taught us not only to remove any obstacles that could stand in the way of children fulfilling their divine calling, but that we ourselves must approach life with a childlike wonder and awe if we are to truly encounter our Lord. Parents should feel confident in choosing Blessed Sacrament School for their child because we strive to combine deep faith formation with excellent academics for the purpose of building up the kingdom of heaven. We believe that God calls each of us, here and now, to create a school, a parish and a community that provides children with all the opportunities and resources they need to flourish and grow, so that they can know, love and serve God in this life, and to be happy with Him in the life to come.

Accomplishing this call and being thoughtful and wise stewards requires us to plan for the future, and therefore I am pleased to present to you this strategic plan for the continued success and growth of Blessed Sacrament School. To develop this plan, a faithful group of parents, parishioners, teachers and administrators have collaborated to identify our strengths and honestly evaluate and address the challenges we face. This strategic plan will be the basis and guide for our continued efforts to improve our school.

Of course having a plan is only the beginning. We will all need to work together to implement this plan. We will need the support of parents, benefactors, parishioners, teachers and staff to realize the goals set forth in this plan. As pastor of Blessed Sacrament, I ask for your prayers most especially, so that guided by the Holy Spirit and assisted by the communion of saints, we will implement this plan with great faith, great hope and great love.

Yours in Christ,

Fr. John Sullivan
