Thank You!!

Dear archery parents and students, I would like to thank all of you who contributed to the "monetary gift", the picture, and all the cards that were presented to me at this month's PTO meeting. I was very grateful and humbled by the presentation, and now can add another reason why coaching and running Blessed Sacrament's archery program is so fun and fulfilling for me. There is a lot of time involved in making this program a success, however, I have said it before, it is fun for me so I do not consider it a job or hard work. I am certain now that the efforts means a lot to the students and parents involved. So thank you once again. Mr. Mark Stoley
