- Based on the Alert selected by the school, NOTIFY will contact the numbers you provide in order you select. You are not required to have all of these contacts to receive NOTIFY communications. The contacts are to be selected by you based upon what contact information is most suited to you. Please provide the information for only those that will be useful to you.
- The caller ID will reflect the number of the school or the IRIS communications center.
- If a contact cannot be made to you through NOTIFY after three attempts to each telephone number given, the school will be notified.
- IRIS is able to detect duplicate numbers and will use the number only once. This will eliminate multiple calls to the same number if you have more than one student in a school.
