Archery News

To all parents in the archery club, I sent out a letter to the students who are signed up for archery club about a meeting for club members and their parents being held today at 3:30 p.m. This meeting is being held to discuss who is eligible, what the club is for and sign up for practice times. Also, if parents have questions I will answer them at this time. There is still time for students who are interested, but didn't have an opportunity to sign up earlier, to do so. The deadline for sign up is December 3rd. Also being discussed will be those students who are signed up but have not yet paid the archery fee, which can be done at the meeting. The deadline for the fee to be paid is also December 3rd. Hope to see you at the meeting today, or to speak with any parents who could not attend. Thank you, Mr. Stoley.
