*Boys Town Skill of the Week: Listening*

1. Look at the person who is talking and remain quiet
2. Wait until the person is finished talking before you speak
3. Show that you heard the person by nodding your head, saying "Okay," "That's interesting," etc.

Dear Blessed Sacrament Families,

Congratulations to our second grade First Communicants! It was a joy to see them dressed up for our Lord as they received Him for the first time. It has also been fun to see their excitement in being able to go up to receive the Eucharist each day this week for Mass. I was just speaking with Father Morin about how such significant happenings in Mass, like receiving the Eucharist, can seem so normal when we do it so often. Because of this, it is so important that we remind ourselves and our children of the beauty of the Mass and the Sacraments. I remembered my own excitement of receiving the Eucharist for the first time when I watched our second graders, along with the excitement I had knowing my two-year-old would be in that position before I know it. I plan to try to tap into those memories of awe and wonder for my future trips down the aisle to receive the Eucharist.

In Christ,

Mrs. Jennifer Tran

**'22-'23 SCHOOL REGISTRATION PROCESS**

Use the following link to begin the process: <http://www.cdolinc.net/enrollment/>. New Student Enrollment will be selected for any student that has NOT been enrolled previously in a Diocese of Lincoln Catholic School (i.e PreSchool or Kindergarten that has not been in PreSchool). After filling out this form, PowerSchool will then send an email for the parent to continue registering the new student. **TABLE FOR TEN ENDOWMENT NIGHT**

Join us **Saturday, May 7** for our annual fundraising event for the Blessed Sacrament Endowment Fund! Don't forget to register and invite someone who's never attended. There's still time for first-time attendees to fill out a raffle for a chance to win a pair of free tickets. Raffle tickets will go out to each school family today or they can be found at the back of church. Raffle tickets are due **Friday, April 29**.

What should I wear?

*Semi-formal, cocktail, or business casual dress is preferred. The theme of the night is Game Show Gala, and you are welcome to add some flare to your attire. Dressing for the theme is entirely optional, but it adds to the fun.*

Why is the event called Table for Ten?

*Table for Ten is named for the round dinner tables that seat ten people. This event is one of the best opportunities to meet new friends in our parish and school community. Sitting down for a meal with nine others creates an ideal atmosphere of fellowship and fun.*

Do I need to know who I'm seated with at dinner before I register?

*Nope. Feel free to register as an individual or with any number of guests (up to ten at one table). We are happy to assign you and your guests to a table for the dinner portion of the event. Please list those attendees when you register.*

Can I bring guests from outside of the Blessed Sacrament community?

*Absolutely! Please invite your friends and family to join in the fun. The event's entertainment Pew Feud, hosted by a surprise celebrity host, is going to offer a fun and interactive evening for all 21-and-older adults.*

For more information, please register for the silent auction and purchase tickets. Visit [one.bidpal.net/tableforten2022](http://one.bidpal.net/tableforten2022) or contact Angela Nosal at 651-269-6269.

### **6-8 PIUS X SUMMER MATH CAMP**

Students who have finished grades 6-8 will engage in STEM activities and math games in addition to regular problem-solving. In addition to exposure to higher level mathematics, Math Camp is a good option for anyone hoping to combat "summer slide" or even make more progress over the summer, so this camp will be good for advanced learners as well as those who need a little more guidance. After the last two years we have had, I can see a lot of students really benefitting from this program!

There have been two changes for this year:

1. Registration and payment will all be done online at <https://www.piusx.net/academics/math/math-camp-registration/>
2. Instead of accepting registrations through a certain date, we will only accept registrations until we are full. *Last year we started turning people away around May 15, so sign up ASAP!*
