Boys Town Skill of the Week: Getting the Teacher's Attention

1. Look at the teacher
2. Raise your hand and stay calm
3. Wait until the teacher says your name
4. Ask your question

Dear Blessed Sacrament Families,

I think the excitement that I saw in the students yesterday as they skipped to the busses for their zoo trip mimics my excitement to finally have my baby. I'll be induced very early in the morning on Friday (yes in two days!). Although this pregnancy has definitely gone faster than my first, I'm very ready to meet my son/daughter. I have experienced so much love and support throughout this pregnancy both from students and parents. It is entertaining hearing the expertise of our very young students, which clearly shows that they have younger siblings. I even had a first grader tell me that he was positive I was having a girl because my husband was older than me. If all goes well (and it did with my first!), I am hoping to be back with my baby on the last day of school amidst the craziness of field day. I am so blessed to be able to share the joy of bringing new life into the world with my school family, and I thank you all for that blessing!

In Christ,

Mrs. Jennifer Tran

6-8 PIUS X SUMMER MATH CAMP

Students who have finished grades 6-8 will engage in STEM activities and math games in addition to regular problem-solving. In addition to exposure to higher level mathematics, Math Camp is a good option for anyone hoping to combat "summer slide" or even make more progress over the summer, so this camp will be good for advanced learners as well as those who need a little more guidance. After the last two years we have had, I can see a lot of students really benefitting from this program!

There have been two changes for this year:

1. Registration and payment will all be done online at <https://www.piusx.net/academics/math/math-camp-registration/>
2. Instead of accepting registrations through a certain date, we will only accept registrations until we are full. **Last year we started turning people away around May 15, so sign up ASAP!**

FATHER-DAUGHTER DAY
