Boys Town Skill of the Week: Working with Others

1. Identify the task to be completed.
2. Assign tasks to each person.
3. Discuss ideas in a calm, quiet voice and let everyone share their ideas.
4. Work on tasks until completed.

Dear Blessed Sacrament Families,

I've noticed that there are some students who have been singing their little hearts out more than usual during daily Mass near the front of the church within the last month. It surprised me to see that it was our smallest class who happens to be singing the loudest! I'm not sure if it's all of them, but a majority of our first graders are using their reading skills that they are developing in class to sing both the familiar and more unfamiliar songs. Not only does this cause almost all in the church to smile during each song, but it also encourages some to join in the singing who would normally be too shy. God doesn't care if you don't have an angelic voice, so be sure to model your singing voice (whatever that may be) when you go to Mass with your little ones!

In Christ,

Mrs. Jennifer Tran
