Boys Town Skill of the Week: Accepting Criticism or a Consequence

1. Look at the person.
2. Say “Okay.”
3. Stay calm.

Dear Blessed Sacrament Families,

We had our annual 7th and 8th grade Science Fair yesterday, and it was a huge success! All students were invited to peruse the projects and hear the presentations during the afternoon. Our 7th and 8th grade presenters did a wonderful job showcasing their formal presentation skills and answering questions. It was also a time for our judges (various staff members) to go from project to project to rate them. Each time I walked close to a project, the students would stand up straight, smile, and prepare to begin their presentation. Then in the evening, students came dressed in their best and brought some additional props—flowers, fried eggs, children’s games, etc. We had a great turnout regarding friends and family, and it was wonderful seeing the pride on their faces. Mr. Chu did a fantastic job preparing them for the fair, and we are excited to see what next year’s 7th and 8th graders come up with!

In Christ,

Mrs. Jennifer Tran

SCRIP

Thank you to everyone who purchased gift cards through Scrip in 2024! We raised over \$5,800 for Blessed Sacrament which helped pay for things like the new tables in the gym. Did you know that if every adult in the Blessed Sacrament parish bought a \$100 gift card to purchase groceries we would raise over \$7,000 for our church & school? What if they did it every month for a year? Next time you see the green Scrip sign outside school, stop by and see how quick & easy it is to support Blessed Sacrament without spending any extra money! Until then, visit <http://tinyurl.com/4ucn4t29> or contact Jennie Korth at jenniekorth@gmail.com to learn more!
