SCHOOL OVERVIEW

Mission Statement

In the climate of the Gospel values, we strive to provide academic excellence as we serve as a school community and proclaim the good news of Jesus Christ.

Philosophy

Parents are the first and primary educators of their children. It is our duty and privilege to provide experiences and opportunities to help children develop and mature spiritually, morally, intellectually, physically, and culturally to meet the challenges of the modern and changing world, to contribute to the aspirations of our society, and to live exemplary Catholic lives.

School Motto

To Know, Love and Serve God

Goals

In order to build in the children an acceptance of themselves and their world from a Catholic perspective, Blessed Sacrament School has adopted the following goals:

1. Offer instruction in Catholic doctrine and morals, and to provide opportunities to participate in the practice of faith in an atmosphere supportive of religious values. (*Diocesan goals 1, 2, 5*)
2. Form students in the practice of prayer and virtue. (*Diocesan goal 3, 4*)
3. Impart knowledge, develop an understanding, and cultivate appreciation for the basic academic subjects. (*Diocesan goal 8*)
4. Develop critical and creative thinking skills. (*Diocesan goal 9*)
5. Promote character development, personal integrity, self-reliance, responsibility, perception of beauty, wholesome use of leisure, sound social attitudes and habits, and good physical and mental health. (*Diocesan goal 10*)
6. Assist in the choice of and preparation for responsible vocations. (*Diocesan goal 11*)
7. Foster a spirit of charity through example and by providing opportunities for service to others. (*Diocesan goal 6*)
8. Form structures and programs that unite parents, school, and Church in the work of Catholic education. (*Diocesan goal 7*)
9. Instill knowledge and appreciation of our United States heritage of representative government, to foster loyalty to ideas of good citizenship, and to develop in students sound principles of Catholic social living in relation to society and government.

Admission

Blessed Sacrament School admits students of any race, color, nationality, and ethnic origins to all rights, privileges, programs, and activities generally accorded or made available to students at the school. We do not discriminate on the basis of race, color, nationality, or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Children who are 5 by July 31 are formally admitted at the kindergarten level. Transfer students and parents will be met with prior to admission. All new students must present a verified birth certificate within 30 days of registration. New students may register in the office throughout the year. Preference will be given to registered Blessed Sacrament families, then to Catholic families, and lastly to non-Catholic families. Classes may become full at which time new students will be placed on a waiting list.

Volunteers

We welcome volunteers for the following areas/times: field trips, drivers, events and celebrations, recess duty, electives, and to help in the classroom via an invite from teachers. All volunteers are required to complete an annual online safety training and pass a background check. If a volunteer plans on driving,

they also need to take the Defensive Driving training. All training can be accessed through the following link: <https://lincoln.cmgconnect.org/>.

Field Trips

Parents may be asked to assist with transportation and/or supervision for field trips. Parents who supervise will be required to look after more than just their own child(ren). Parent volunteers must complete the Safe Environment program and adhere to teacher guidelines and school policies, which require parents to be vigilant of all the children on the field trip. Drivers must fill out paperwork as required by the Lincoln Diocese. ***All paperwork must be received at the office and a background check must be completed prior to assisting with field trips.*** Younger siblings should not be brought along on field trips. Parents should not make plans to accompany the field trips unless they have been asked to drive or supervise.

You may also listen for school closing information on TV channels KOLN 10/11 or KLKN 8 and on 1240AM or KFRX 106.3FM. If LPS is not in session, listen for a Catholic School announcement.

Transfers

When a child transfers out of Blessed Sacrament School, the parents must notify the principal before the date of withdrawal. A release of records form must be signed by the parent at the new school and sent to Blessed Sacrament in order for records to be transferred. Upon graduation, records of all students are automatically transferred to Pius, unless we receive notice by May 31 to do otherwise.

COMMUNICATION

Office Hours

The working hours for the school office are 7:30am to 3:30pm during the school year. On days when there is no school in session, the office will be closed. In cases of emergency, please call the church office at 402-474-4249. If the phone is not answered, **please leave a message.**

Student Messages

Parents may call the office to have a message delivered to their child between 8:30 AM & 2:30 PM. *After 2:30 PM, we cannot guarantee that your child will receive the message before dismissal.*

School Visitors

No parent or other adult, unless to perform duty as a volunteer, may go directly to the classroom during school hours. Forgotten lunches, books, etc. are to be brought to the office, and your child will be notified. Parents wishing to observe classes must make arrangements with the classroom teacher and/or principal at least two days prior to the visit.

Wednesday Weekly

The Wednesday Weekly is published on each Wednesday. It contains the latest updates and information necessary for planning. It will be emailed to you and posted on the [school website](#).

ACADEMICS

Academic Progress

Students in grades K-2 will regularly bring home projects and assignments.

Students in grades 4-8 are required to keep a school issued assignment book. This book is to be reviewed and possibly signed by parents according to the teacher's policy. Grades 3-8 will also email home progress reports mid-quarter.

Report cards are issued quarterly, and they will now be sent via email. Parents are further asked to help their child with the suggestions made by the teacher. Students working below grade level may receive evaluations based on an adjusted curriculum, as indicated on the report card.

LPS provides resources for special education, school psychology, speech pathology, and physical therapist. Teachers assigned to Blessed Sacrament include the following: Tina Welty, Ashley Risueno, Polly Hess, Laura Sousek, and Katie Lewellan.

Conferences

Formal conferences between parent and teacher are held once each semester to inform parents and assist students in the learning process. First semester conferences are required and second semester conferences are optional. At least one parent/guardian is required to attend. Parents, students, or teachers may request additional conferences.

Homework

Homework is valuable for building good study habits and skills, and some students work more rapidly or more slowly than others. Students in grades 1-2 should average about 20 minutes an evening on homework, students in grades 3-5 should average about 40 minutes, and students in grades 6-8 should average about 70 minutes. *If these times do not fit with your students' homework experience, please notify their teacher.*

Library Fines

Students in Pre-K and Kindergarten check out one book or magazine each week, and it is due one week later on the day they come to the media center. All other students can check out no more than five books or other materials at a time, which are due two weeks from the check-out date. No one is allowed to check out new materials if they have overdue materials or fines. Books must be turned in by the afternoon of the last check-out date.

Fines for lost materials: Magazines at \$2.50, paperbacks at \$8.00, hard bound books at \$20.00.

Books returned with damage will receive a fine according to the damage done.

Academic Honors

Students in grades 5-8 are eligible for Academic Honors. Grades are averaged each semester from the following all classes. Students with an average of 94% - 100% are placed on the Principal's List; students with an average of 88% - 93% are placed on the Honor Roll. If a failing grade is received in any class during quarter one or quarter two, a student isn't eligible to receive an academic honor. First semester

ceremony will be after Mass during Catholic Schools Week and second semester ceremony will be after Mass during the last day of school.

Summer School

Blessed Sacrament School believes that holding students back a grade can be detrimental to the academic well-being of students (with exceptions). Teachers and parents must work together to provide students successful learning experiences. Students must work and study hard, always striving to do their best. Unfortunately, there will be times when other measures must be taken.

Summer school may be required of students in grades 6-8 who do not receive a grade of 70% or better in at least 3 quarters. Summer school may be taught at Blessed Sacrament in June by Blessed Sacrament teachers. The student may be required to complete 15 hours for each failed subject. The cost is \$10 per hour.

Testing

The Iowa Basic Skills Test and the Ability Test of Cognitive Skills are administered to students in grades 3-8 near the beginning of March. This may change in the 2025-2026 school year as the Diocese is looking at alternative testing options.

ATTENDANCE POLICY

Regular attendance is required by state law and will help each student achieve his/her potential. Although make-up work still helps our students learn, there is no substitute for being in the school with peers and teachers. Completing homework cannot replace the learning experience of being present at school.

Please make every effort to avoid appointments and vacations during school hours. Attendance is calculated at the end of each month, September-May. Five (5) or more absences in a quarter may result in a parent contact. Ten (10) or more absences in a semester may result in a parent conference and a possible referral to the county attorney. Twenty (20) or more absences may result in a referral to the county attorney for truancy. Thirty (30) or more absences may result in a call to CPS, a referral to the county attorney for truancy, and possible summer school. Frequent tardies may result in similar parent contacts.

Absences

1. Illness and medical appointments are excused absences; *however, on the third consecutive day of illness, a doctor's note is required.*
2. Funerals are an excused absence.
3. Vacations, sporting events, and other social activities are unexcused absences.
4. Tardiness is unexcused. Tardy students may create a disruption to the classroom. Students must be in their seat and ready to learn when the 8:05 bell rings. Tardy students arriving after 8:05 must report to the office upon arrival and be checked in by a parent. If students arrive during Mass, please take them over to the church after they have checked in.
5. Students who leave early may create a disruption to the classroom. Early leave is unexcused. Parents must come into the office at which time we will call for the student.
6. Student absences and tardies will be recorded as listed on the following time table:

ARRIVE		LEAVE	
<u>Time</u>	<u>Absence</u>	<u>Time</u>	<u>Absence</u>
8:06-8:20	Tardy	8:00-10:00	Absent
8:21-10:00	¼ Absent	10:01-11:45	¾ Absent
10:01-11:45	½ Absent	11:46-1:30	½ Absent
11:46-1:30	¾ Absent	1:31-3:00	¼ Absent
1:31-3:10	Absent		

If a student arrives after 8:05, a guardian must be present to sign his/her student in at the front office. Students are expected to be in attendance when school is in session, except in cases of illness. When a student is absent, the parent must notify the school office by phone or email between 7:15-8:30 am. The school will contact parents to verify unreported absences.

When planning vacations and appointments, make every effort to plan around school days and especially standardized testing week. The responsibility for work missed when children are taken out of school *lies with the parent*. Work for excused absences may be obtained at the office after 3:00pm on the day of absence. When a student is absent from school due to an illness, they have two days for each day absent to make up the work. Work for unexcused absences will be given to the student upon their return to school.

HEALTH AND SAFETY

Exterior Doors

All exterior doors will be locked all day every day. All visitors will be buzzed into the school by the front office.

Morning Drop-Off Policy

Please use the parking lot for quick drop-offs and the front cut-outs for longer drop-offs with multiple children in car seats or for parents who come inside. Students enter the building at 7:50am and report to their classroom. Supervision is not available before 7:50am no matter the weather, so please do not drop your students off any earlier than 7:45am. Students should be dressed appropriately for the season.

Supervision

An adult supervisor will be in the front of school from 7:50-8:05 in the morning, on the playground during recess periods, and in front of the school from 3:20-3:30 each afternoon. Once a student has arrived on school grounds, he/she may not leave until dismissal except with the permission of the principal. **Children not picked up by 3:30 will be sent to Extended Care and charged accordingly. Students may not go to the church or park unsupervised.**

Afternoon Pick-Up Policy

Please use the parking lot for all pick-ups. Those retrieving students should park farther away from the school and those with students walking to the car should park closer to the school in the parking lot. Students being retrieved will wait in the fire lane. Students who walk directly to the car will wait on the sidewalk next to the parking lot. Students are expected to wait respectfully—it is not a time to run or play. Students walking home may leave upon dismissal.

Fire Drills and Severe Weather

Blessed Sacrament will conduct 10 fire drills and 2 severe weather drills each school year as required by the state. Evacuation procedures are posted in each room, and teachers introduce and review each periodically. Students are expected to know the correct evacuation procedure should the need arise.

Health

A student's health deserves careful consideration if the student is to progress in his/her studies. Remaining at school when a student exhibits signs of rash, temperature above 100 degrees, severe cold, or continuous coughing is injurious to the individual and to the entire school population. When a student becomes ill during the school day, the parents will be contacted to come to school and pick up their child. Generally, students will not be allowed to call home unless they exhibit clear signs of major illness. If parents cannot be contacted upon a major illness or injury, the hospital emergency room may be used. An Illness Exclusion Form will accompany your child home. **Children may not return to school until they are fever free without medication for 24 hours.**

Students need to use their outdoor play for good health. If a student's outdoor play needs to be restricted, a physician or physician's assistant must prescribe the conditions and length of the restriction. Students will not be taken outside for lunch recess when the temperature or the wind chill is below 15° F. Outside recess will be optional for teachers in the morning and afternoon as long as the windchill is above 0° F. However, it is the responsibility of the parent to dress their children appropriately. The lack of proper clothing is not an excuse to stay inside.

Lice

Parents are expected to notify the school office if their child has lice or if it is suspected that a child may have lice. If a student is suspected of having head lice, he or she will be sent to the front office for an examination. If lice eggs are found in the child's hair, the child will be sent home. The child must be treated and be free of lice and eggs before returned to the classroom. All children in the classroom of the student having lice will be examined along with any siblings of the lice-infected child. Parents in the classroom of the child having lice will be notified of it.

Upon returning to school, a nurse or qualified staff member will examine the child for lice eggs. If the nurse/staff member determines the child to be lice free, the child will be able to resume his/her regular classes. After the child has been determined to be lice free, he/she will be checked for at least three consecutive days and then again after seven days from the lice-free check. A record will be kept in the front office.

Asbestos

Blessed Sacrament School is complying with Federal Regulations on the management of asbestos containing material in schools. Our school has conducted professional asbestos inspections in 1988, 1991, 1994, 1997, 2000, 2003, 2008, 2011, 2014. Management plans have been developed from these inspections and the asbestos containing material (ACM) identified or assumed to contain asbestos has been kept in excellent condition. **No health threat is posed from ACM kept in this condition.** Asbestos management records are available for public inspection at the school office during regular business hours.

School Nurse

Blessed Sacrament School does **not** receive the services of a Public Health nurse from the Lincoln-Lancaster County Health Department. The school maintains cumulative health records, screening results, and immunization records for each student. All students are required to be immunized or provide a signed waiver. In the case of an epidemic, non-immunized students will be required to remain at home. Physical examinations are required for all kindergarteners, 7th graders, and 8th graders participating in sports.

Medication

Medication will only be administered to your child during the school day if **medications in the original labeled container accompanied by a signed official authorization form giving Blessed Sacrament permission to administer the medication.** This includes minor medications such as cough drops, aspirin, Tums, etc. Students with Asthma, Diabetes, and severe allergies who self-medicate must have a completed Medical Management Plan on file. Teachers should be informed of any medical condition that may affect a child's behavior, schoolwork, or health while at school and any side effects that may be caused from medications.

Insurance

Parents are responsible for insurance. The school does not cover accidental injuries.

Bullying Policy

We recognize that bullying (cyber or otherwise) and intimidation have a negative effect on the social, emotional, spiritual, and academic development of our students. Every student has the right to a safe educational environment. It is the policy of Blessed Sacrament School that any form of bullying behavior, whether in the classroom, on school property, or at a school-sponsored event is unacceptable.

- *Definition of Bullying* – Bullying is a deliberate, hurtful act of aggression repeated over time by an individual or group where an imbalance of power exists between the individual/group and the victim. Bullying may take on various forms. It includes but is not limited to the following:
 - Physical Bullying: hitting, kicking, pushing, biting, choking, spitting, taking belongings, destruction of property, sexual harassment
 - Verbal Bullying: insults, name-calling, threatening statements, taunting, offensive remarks, sexual comments.
 - Indirect Bullying: excluding others, spreading gossip and rumors, sending malicious notes, making faces or obscene gestures
 - Cyberbullying (online social aggression): flaming (online fight), harassment, denigration (gossip, rumors), impersonation, “outing” (sharing embarrassing secrets, posting embarrassing pictures), trickery, exclusion, cyberstalking, cyber threats.
- *Reporting Bullying*
 - Teachers/Staff: All school employees are required to document all bullying behaviors which they witness or which are reported to them using PowerSchool logs. The homeroom teacher, school counselor, and principal should be notified.
 - Other School Community Members: Students, parents, volunteers, and visitors are encouraged to report to a staff member any bullying behavior taking place on school property or at a school-sponsored event. For purpose of investigation and follow-up, it is important that such reports be made as soon as possible to the staff member on duty at the time of the incident.
 - Anonymous/Confidential Reports: Reports may be made anonymously, but formal disciplinary action may not be based solely on an anonymous report. Students who make a report may request that their name be maintained in confidence by the teacher and/or administrator who receives the report. In this case, confidentiality will be maintained as appropriate. If the person reporting the bullying chooses to keep names of witnesses confidential, he/she should understand that this may compromise investigation of the report, resolution of the problem, and possible disciplinary action.
- *Investigation of Reports of Bullying* – The teacher and/or principal (along with any relevant staff members) will conduct an investigation of the alleged bullying behavior. The investigation may include interview with students, parents, and school personnel; review of school records, and whatever other information may be necessary to determine an appropriate response. When a student/parent making a report has requested confidentiality, the investigation of such report shall be limited as is appropriate in the view of the confidentiality of the person reporting.
- *Consequences for Bullying* – Consequences for students who bully others will depend on the results of the investigation and may include loss of recess, aggressive behavior report, office referral, detention, a parent conference, behavior contract, recommendation of counseling, suspension, expulsion, or any other appropriate consequence. In determining the appropriate response to students who commit one or more acts of bullying, school administrators consider the following factors: the developmental and maturity levels of the parties involved, the levels of harm, the surrounding relationships between the parties involved and the context in which the alleged incidents occurred. Concluding whether a particular action or incident constitutes bullying requires a determination based on all of the facts and surrounding circumstances. It is only after meaningful consideration of these factors that an appropriate consequence will be determined.
- *Notification of Parents* – When serious bullying situations or bullying trends have been identified, the school administration will notify both the parents of students who are bullying and the parents of students who are being bullied. Names of the opposite and consequences of the opposite parties may remain confidential.

Multicultural Education

- **Rationale**

God has created each individual in His own image and likeness. The United States is a nation of individuals who have roots throughout the world. It is also a society of many racial, ethnic, language, and cultural groups. An appropriate acknowledgement and appreciation of these facts, along with a development of a sense of self-esteem and respect for the dignity and worth of all people, are among the goals of education in a free society. The school will strive to prepare its students to appreciate, support, and function in a pluralistic society. Through the perspective of multicultural education, educators can recognize and will provide for that diversity within the curriculum, instruction, guidance, and staff development components of the school program.

- **Policy**

The policy of Blessed Sacrament School is to utilize the resources of curriculum, instruction, in-service, counseling, and guidance to reflect the racial, ethnic, language, and cultural heritage of both historical and modern-day United States by observing the following objectives:

- a. Select materials and methods that will eliminate bias and stereotype in our school.
- b. Conduct in-service programs for our staff that will help them understand a multicultural approach and to reflect it in their teaching and administrative duties.
- c. Encourage all students to grow in self-respect and to understand and develop their academic and human potential.
- d. Guard against the grouping of students that reflects racial, ethnic, language, or cultural bias.

Playground Rules

1. Playground equipment: Keep hands to yourself, no pushing, or playing tag. Do not sit or walk on top of the monkey bars.
2. Stay off trees, fences, and air conditioner units.
3. Avoid areas with windows when throwing sports balls.
4. When balls go over the fence or into the street, the adult supervisor will retrieve them. Students are not allowed to retrieve items that have left school property.
5. Leave all snow on the ground. Those with boots can go on the snow.
6. Red rover and tackle football are not allowed.
7. No fighting, shoving, or running into others for any reason.
8. Each student is responsible for his/her behavior.
9. Blessed Sacrament School is not responsible for the personal property of students.

Vandalism and Damage

Students may be assessed the cost of repair or replacement of school property if they have been guilty of destroying, marring, or losing it, whether through their carelessness or deliberate actions. They may also be asked to perform additional service hours.

Property Searches

Teachers and administrators have the right to search desks, lockers, and personal belongings at any time for a sufficient reason. This search will ordinarily be conducted with another adult witness. Any items found which are inconsistent with the Catholic goals and policies of the school may be removed.

Field Trip Policy

All students participating in field trips must have a signed consent form on file for each trip. Students may lose the privilege of participation in a field trip if their work is not completed or if their behavior warrants. Parent volunteers for field trips are not allowed to bring other children on the trip. This is necessary for the safety and supervision of the students. The school administration may assign other parents to field trips as medical supervisors and will not be considered chaperones.

Vehicle Rules

1. Under direction of the driver, each student is assigned a seat and held responsible for the condition of that seat.
2. Outside of ordinary conversation, classroom behavior is to be observed by students.
3. There will be no littering in the vehicle.
4. There will be no throwing of objects out of car windows.
5. No student will at any time extend arms or head out of the vehicle windows.
6. Students will sit facing forward.
7. When leaving the vehicle, students must cross the road in front of the vehicle.
8. No eating, drinking, or gum chewing in the vehicle.
9. The driver is in full charge of the vehicle and students. Students are required to comply promptly, cheerfully, and fully with the driver.
10. Each student is responsible for his/her own behavior.

LITURGY & SACRAMENTS

Mass

Mass is the central activity of the Church. Mass is a great opportunity to draw closer to God through Communion, community worship, and individual prayer. The children at Blessed Sacrament are involved in daily Mass through music, reading, serving, and the offering of gifts. Going to Mass during the school week is not a substitute for the obligation to attend Sunday Mass. *Catholic parents have a grave, moral obligation to ensure that their children attend Sunday Mass.*

Servers & Readers

Catholic boys in grades 4-8 will have the privilege of serving Holy Mass. Junior High boys will sometimes be asked to serve funerals, including travel to Lincoln Cemeteries, and other ceremonies done within the school. Catholic students in grades 6-8 will be able to volunteer to read for daily Mass. Students in grades 1-8 will have the opportunity to read petitions and take up the offertory gifts throughout the year.

Sacraments

The Sacrament of Reconciliation is scheduled for students monthly and is available daily before Mass (7:55-8:10).

Second graders are prepared to receive the Sacrament of Reconciliation near the beginning of second semester, and the Sacrament of the Holy Eucharist near the end of second semester. Parents are very much involved in this preparation.

Fifth graders are prepared for and receive the Sacrament of Confirmation during second semester. Parents are very much involved in this preparation.

Funerals

As Catholics, we practice the Corporal Work of Mercy to bury the dead. Consequently, students may occasionally wish to attend the funeral of a friend's family member. In order to do so, the student must be accompanied by a parent or another adult designated in writing by a parent.

Faith Integration

1. Fostering a Catholic culture is essential in Catholic education. Our Catholic faith should be incorporated as much as possible into every subject area and every aspect of school family life. Teachers and Staff encourage wonder and awe at creation and the Creator.
2. Eucharistic Adoration is held once a month on first Fridays at 3:05.
3. Stations of the Cross will be on Fridays during Lent at 2:50.
4. There will be all-school rosaries on each Friday during the month of May at 2:50.

5. All classes go to confession once a month on Wednesdays.
6. Pastor and Assistant Pastor alternate to visit classrooms once a week.
7. In Step with the Spirit is our faith-centered life skills program, which focuses on a different virtue each month and how to implement them into our daily lives.

CCD

Blessed Sacrament School is happy to host CCD. CCD is an out-of-school program run on Wednesday evenings.

TREATS & PERSONAL ITEMS

Toys

Students are not to bring toys to school, except for Show & Tell. All toys will be confiscated and returned to parents. Students needing fidgets must be permitted through our school counselor or recorded in their 504 plan, IEP, or SAP. No additional keychains or toys should be attached to lanyards.

Bicycles

Upon reaching school grounds, students will walk their bicycles to the bike racks and lock their bikes. The school is not responsible for lost or stolen bikes. Bicycles may not be ridden on school grounds between 8:05am and 3:30pm. Skateboards, skates, and scooters are not allowed at school.

Electronic Communication Devices

Electronic communication devices (cell phones, smart watches w/ phone abilities, iPad's, etc.) are not allowed to be used on campus at any time without permission. Such items must be shut off and turned in to homeroom teachers for grades 6-8 and in the front office for grades PK-5. Items found in use during the school day will be confiscated, and parents/guardians must pick them up in the front office.

Treats and Parties

When birthday treats are brought to school, there must be enough for the entire class. Treats should be brought to the front office, and teachers will distribute treats at a time that is least disruptive to the class. *Napkins, plates, and utensils must be provided by parents if necessary.* Non-edible party gifts are acceptable as well. Birthday invitations may be distributed at school as long as all in the class are invited and teacher permission is given. **Specific classroom rules regarding treats and parties are up to the teacher's discretion.**

PARENT – CHILD ACCOUNTABILITY

The moral obligation of training children rests first with the parents. The responsibility of the school is to give extension and broadening to parental training. The teachers at Blessed Sacrament School are dedicated to finding the best means of guiding and teaching children, and in this way helping the parents. It is extremely important that a child be thoroughly convinced that his/her parents stand behind the school, and that they will stay informed with what the child does in school. Without such an understanding, a child can come to think that home and school are unrelated areas of authority, and he/she soon learns to play one against the other. We can best serve the children by working together, by checking out whatever misunderstandings might arise, and by supporting one another in all things. If there is a difference of opinion, that is all right. This is a sign of healthy life. Feel free to make an appointment if needed. We can surely come to some understanding which will safeguard the child's respect for all.

Boys Town Education Model

The Boys Town Education Model is a school-based intervention strategy that focuses on managing behavior, building relationships, and teaching social skills. It emphasizes preventive and proactive practices rather than reactive responses to deal with student behavior. It gives classroom teachers, administrators, and support staff the tools to implement key Model components:

- A school-wide social skills curriculum
- An administrative intervention process
- A proactive classroom behavior management approach

These components are part of a complete system-wide approach to foster respectful and caring staff-student interactions by fundamentally changing the way schools address discipline and deal with student behavior.

Grades 3-8 Accountability

Each student will be issued a demerit card. Depending on the infraction, if a student continues to ignore a skill or has already been given at least one corrective prompt by a teacher, that student may receive a demerit. The student presents his/her card to the adult upon request. The adult will sign the card with the specific infraction, date, and initials.

- For JH, five demerits from any teacher/adult will result in a detention. For grades 3-5, seven demerits will result in a detention.
- For JH, if a student doesn't have their demerit card when given a demerit, two demerits will be given—one for the original infraction and one for not having the card. If the demerit card isn't brought or is lost, it will be a detention and a new card will be issued to the student. For grades 3-5, demerit cards stay in the classroom in a designated area.
- JH Students should have their cards in their lanyards at all times during the school day.

Detentions can be earned by getting five/seven demerits as well as for the following behaviors:

- Fighting
- Bullying
- Cheating on a quiz/test (a failing grade may also be earned)
- Stealing/defacing another's property
- Abuse of God's Name or other inappropriate language according to teacher discretion
- Blatant disrespect
- Other behavior(s) deemed seriously inappropriate by any particular teacher or adult supervisor

Detentions may be served after (3:25-3:55) school depending on the teacher's availability and preference. During this time, the student will complete a self-reflection form and speak to a faculty member about making better choices. The reflection will be taken home and signed by a guardian to be returned to the teacher.

- Three Detentions = Parent meeting
- Six Detentions = Principal meeting and possible exclusion from class trips
- Nine Detentions = Suspension or Expulsion considered

Referrals

- Positive Office Referral

Grades 3-8 Homework Club

1. Any student with five or more missing/late assignments in **3rd** grade, four or more in **4th** grade, three or more in **5th** grade, and any missing assignments in **Junior High** will stay after school in Library for Homework Club until 3:45pm on Tuesday or Thursday. Each late assignment may be docked points according to teacher policy in each grade.
2. Parents will be notified no later than 2:00pm that their student will stay that afternoon. If guardians are not able to make this work with their schedule, the student will stay the next available Tues/Thurs.
3. If a student does not report to Homework Club without checking in with the Homework Club teacher, the student will have an extra day staying after school and will be issued a demerit.
4. If the student has a previously scheduled appointment or goes home sick, he/she will stay the next available Tues/Thurs.
5. If the student finishes early, he/she is expected to work on other homework or read.
6. Parents are asked not to bring the work to school even if it is completed and was left at home. Homework is the students' responsibility, not the parents'. If a parent does bring the work in, the child will still be expected to stay until 3:45pm and work on other homework assignments or read.
7. Siblings are not allowed to stay on school grounds to wait for those in Homework Club unless they are with a guardian or at Extended Care.

SPORTS & CLUBS

Blessed Sacrament is a member of the Lincoln Catholic Schools' Conference. Blessed Sacrament's sports program is maintained in order to teach the student sportsmanship skills, self-confidence, and encourage a healthy lifestyle. The goal is to maximize participation of all students. The sports program is organized by an elected Athletic Committee. Basketball, track, cross country, bowling, and golf are offered for 7-8 boys and girls along with volleyball for only 7-8 girls. Blessed Sacrament also hosts a number of after school clubs in-house based on volunteers and student interest. Clubs may be proposed as long as there is interest and a willing sponsor.

Student Requirements for Participation

- Students participating in sports may not have a failing grade in any core subjects (English, Math, Science, Social Studies, or Religion). Students with two or more detentions in a week may be ineligible to play/participate. If a student has an IEP or 504 Plan, certain exceptions may be made.
- Sportsmanlike and respectful behavior is expected of all Blessed Sacrament students at all times.

Parent Requirement for Participation

- Sportsmanlike and respectful behavior is expected of all Blessed Sacrament parents at all times.
- Parents that have students participating in Blessed Sacrament Athletics are encouraged to sign up and work ***at least*** one home game. This work may include admitting families and/or working at the concessions stand.

PARENT-TEACHER ORGANIZATION (PTO)

The PTO contributes assistance and materials in support of the educational mission of Blessed Sacrament School. Students receive maximum benefit when all parents are active and attend meetings. Board meetings and general meetings are listed on the school calendar.

The general PTO meeting is conducted according to an agenda. The agenda is determined at the officers' board meetings. Issues raised that are not on the agenda will be tabled until the next meeting. Many times parents have issues they want discussed at the general meeting. Parents are always welcome to address these issues through the following procedure:

1. Prior to the board meeting, call the PTO president and ask to address the board.
2. Attend the board meeting and present your concern.
3. The board will decide if the item is to appear on the agenda.
4. Your name will appear on the agenda as the presenter.
5. You must attend the general meeting and present your concern.
6. The general assembly will discuss the item and determine what action should be taken.

FOOD SERVICE

Breakfast

Breakfast is served from 7:00-7:40 am. Students will enter the cafeteria by ringing the bell at the northwest door no later than 7:40am. Students who come early will pay through our Extended Care policy and will be offered breakfast at \$1.50 per day. Students are able to bring their own breakfast.

Lunch

Blessed Sacrament School provides a federally-funded breakfast and hot lunch program. Students may purchase lunch or bring a lunch from home and purchase milk. UNIFORM & DRESSCODE POLICY FOR GRADES K-8

The purpose of a uniform and dress code in a school is to help students feel good about themselves and their environment. School is a place for learning, and we expect students to come to school dressed for the business of learning. We hope that being neatly dressed will help our students gain confidence in themselves and their ability along with bringing focus to their work. We are "temples of the Holy Spirit, God dwelling within." Our appearance should reflect this conviction.

Dress Down/Non-Uniform Days
