

# Clover Comets 4H Club

Blessed Sacrament School

---

## Why should my child join 4H?

4H is a program with the goal to build partnerships, youth development, volunteerism, and diversity. It is a community of young people across America who are learning leadership, citizenship, and life skills in partnership with caring adults.

## Who can join 4H?

Youth ages 5 (by Jan. 1<sup>st</sup>, 2026) through age 18. (Ages 5-7 are Clover Kids)

## Clover Comets 4H Club

We will meet on the **1<sup>st</sup> Tuesday** every month, **beginning in January**. The meeting will start with a short business meeting followed by activities/projects

## Club Dues

Dues will be \$5 per child and \$10 (total) for families with *more than 2* children. Dues help the club pay for supplies and plan activities/projects

## 2025-2026 School Year

Our goal for the club this year is:

- Get students registered in 4H Online
- Begin exploring interests in 4H
- Set personal/club goals to be involved in the County Fair
- Learn about how a business meeting is run – Parliamentary Procedures

## First Meeting - Tuesday, January 6<sup>th</sup> from 3:20 – 4:30

Our first meeting will be open to anyone who would like to see what a 4H meeting is like. Mrs. Heiden and Miss Mika will be available after the meeting to help families register their children on 4H Online.
