

Volunteer Driver Requirements

One growing area of liability exposure within the Catholic Church is related to driving and transportation activities. In an effort to reduce this exposure, the Diocese of Lincoln requires all individuals who drive for the Church to take a defensive driving course prior to performing any driving duties. The following trainings take less than an hour to complete and are free.

Thank you for helping us with our transportation needs!

The following needs to be completed before the event. Please check off each item completed and return to the school office.

- Up to date with Safe Environment Training (a yearly renewal) and Background Check (renewal every 5 years) on <https://cmgconnect.org/> (*please bring in or email a copy of the certificate of completion to the office*)
- Defensive Driving Training on <https://cmgconnect.org> (completion only required once, unless a driver incurs 3 or more moving violations since the last training) (*please bring in or email a copy of the certificate of completion to the office*)
- Photocopy of current driver's license
- Photocopy of the declaration's page of current car insurance policy, showing the level of liability coverage (liability insurance coverage must be at least \$100,000/\$300,000)

Please contact the school office at 402-476-6202 or email carrie-black@cdolinc.net with any questions. For technical assistance, please refer to the "Support" tab on the CMG Connect homepage.
